Carole! Even your name portrays
your generosity. It has really
been nice knowing you for this
short year. We had some good
times together; remember Christmas,
& that lay ride. Well, I doubt
I'll be seeing much if any after
grad. We'll both go different ways.
Good luck with the boys & I
hope you have the best of luck
in the future, you deserve it.

Love and remember
always, Ray

Carole Ann Knowles,

To a very nice, sweet, and smart girl, I have really enjoyed being a friend of yours. I have enjoyed going to church and meeting all your friends including Jeff. You have been very good in all your classes, (smarty) I hope you are just as smart next year as a senior. I have listened to your good times as well as your bad times with Jeff and your family just like you have listened to mine. Hope you have a nice summer and an even better year next year. Good luck and the best of wishes.

(R.M.A.)

Love Ma, ^{5/76} Kay

Carol,

It been fun having you in my classes this year. We've really had fun trying to straighten this school out. Watch out! There are many handsome single men loose. Take care & I wish you all the luck in the world.

Love
Dwayne

Hello,
What's your name.
I'd tell you mine but I don't remember it. Remember Carol that the best things in life are free of cost. And one of those is memories of high school. Believe me I'll never forget this year!

as you are!
John

Carole,

I've really enjoyed having your biology book this year. you just don't know what a thrill it has been to open my biology book and see your name. It really helps me get through the rest of the day. I've also enjoyed getting to know you. you're a lot of fun + full of laughs. Everytime I look at your face I start to giggle (hee hee). That's why I laugh so much at Quartet practice. (just kidding) I hope we have some classes together next year so we can drive the teachers crazy. Always remember the good times we've had this year! Especially being numeral uno in the county! That was fantastic. Good luck in love + life + try not to forget me. I won't forget you! I can't! Don't get lost out there in no where land, your house. I hope I'll see you sometime this summer. Keep on singin' + smilin'. Good luck with the chicos!

Love ya,

*Happiness is good.
The place to be happy is here.
The time to be happy is now.
The way to be happy is
To help make others happy.*

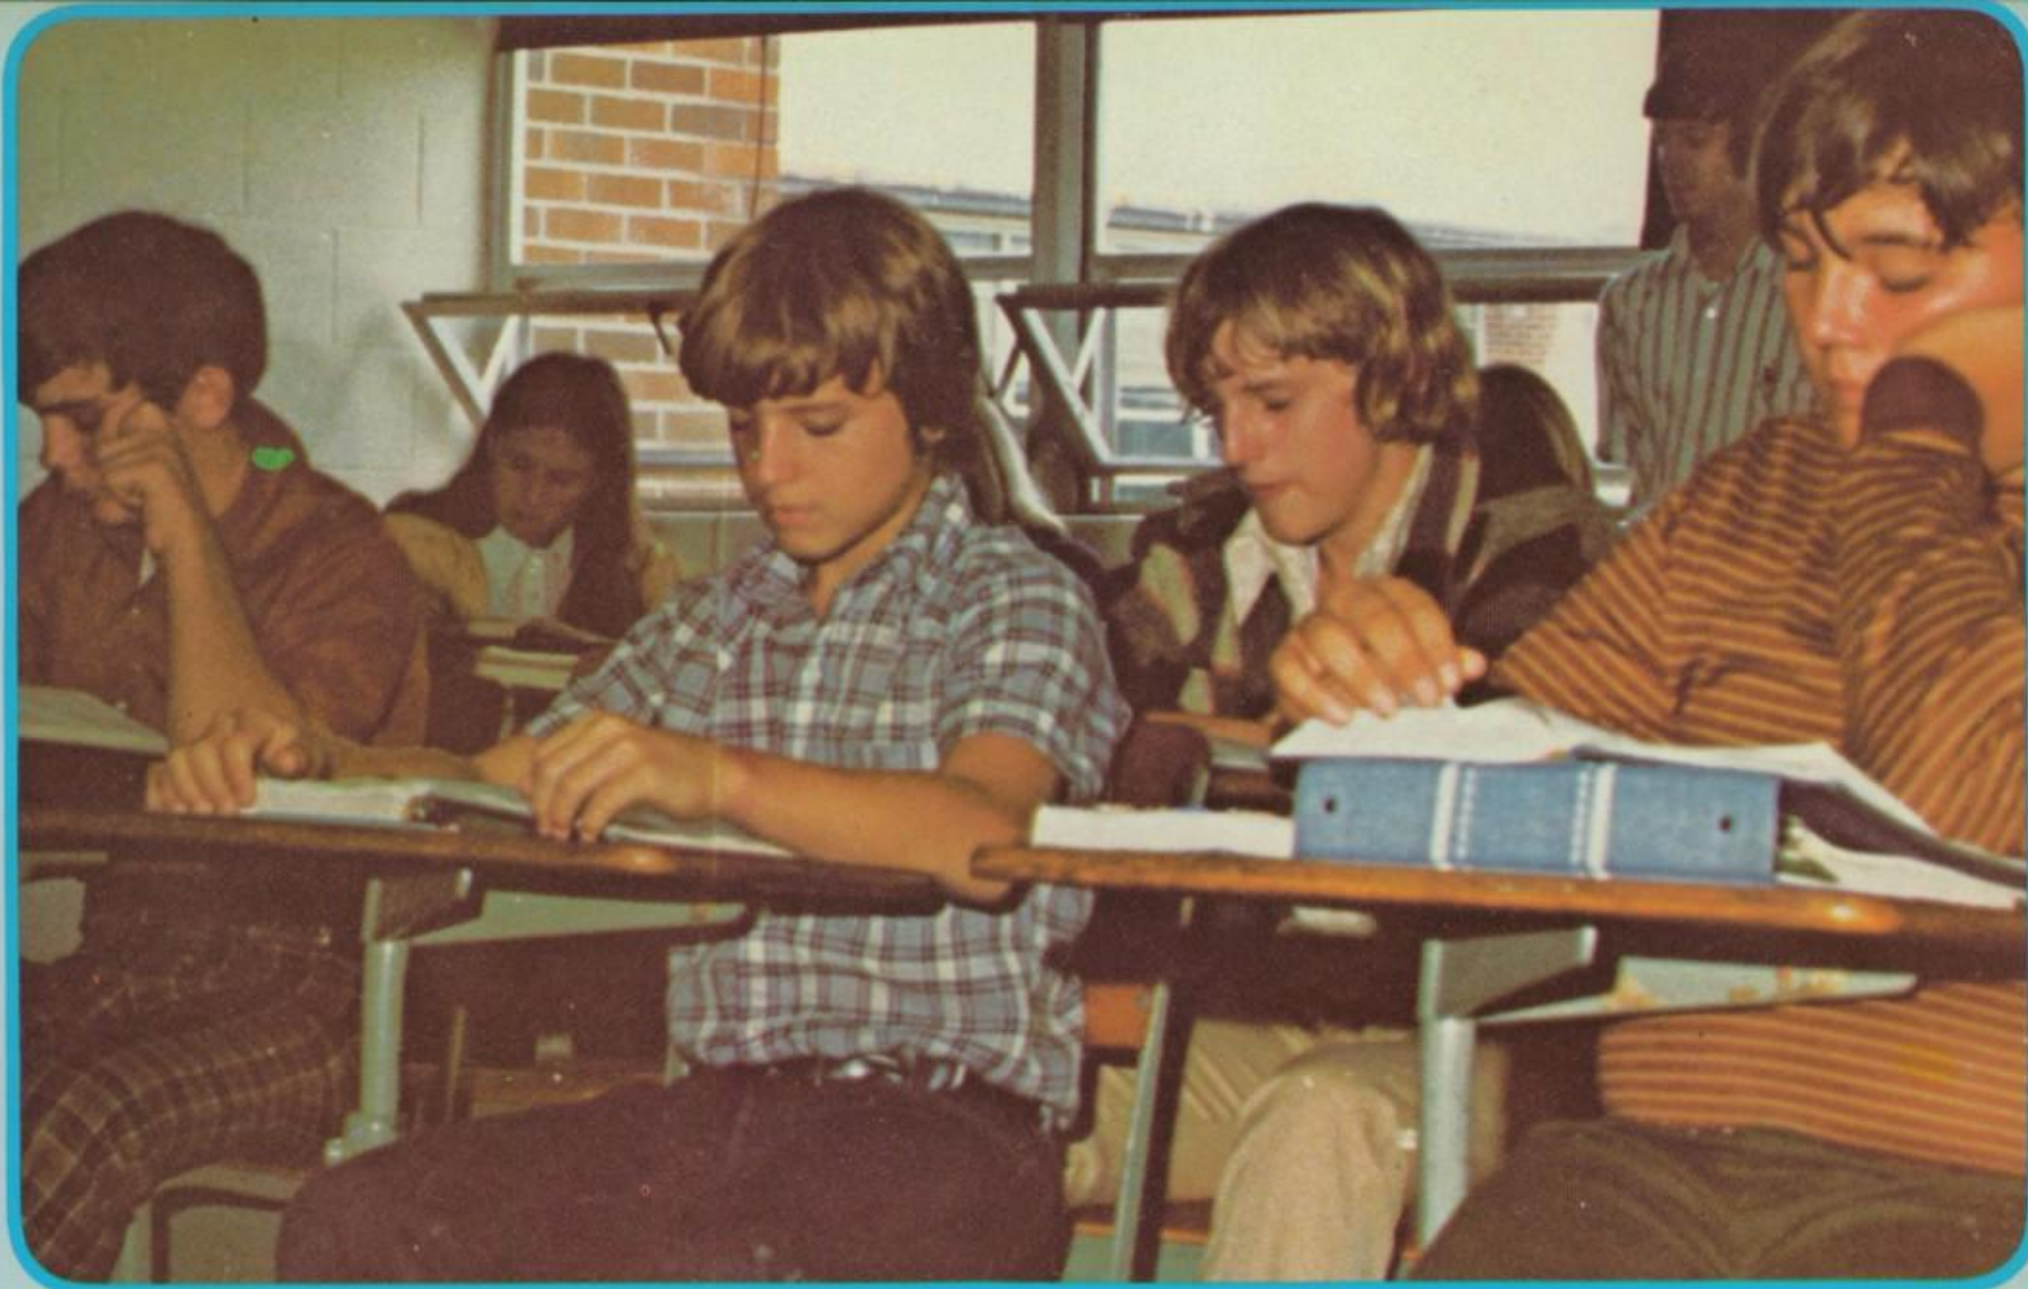

*Grief can take care of itself, but to get
The full value of a joy you must have
Somebody to divide it with.*

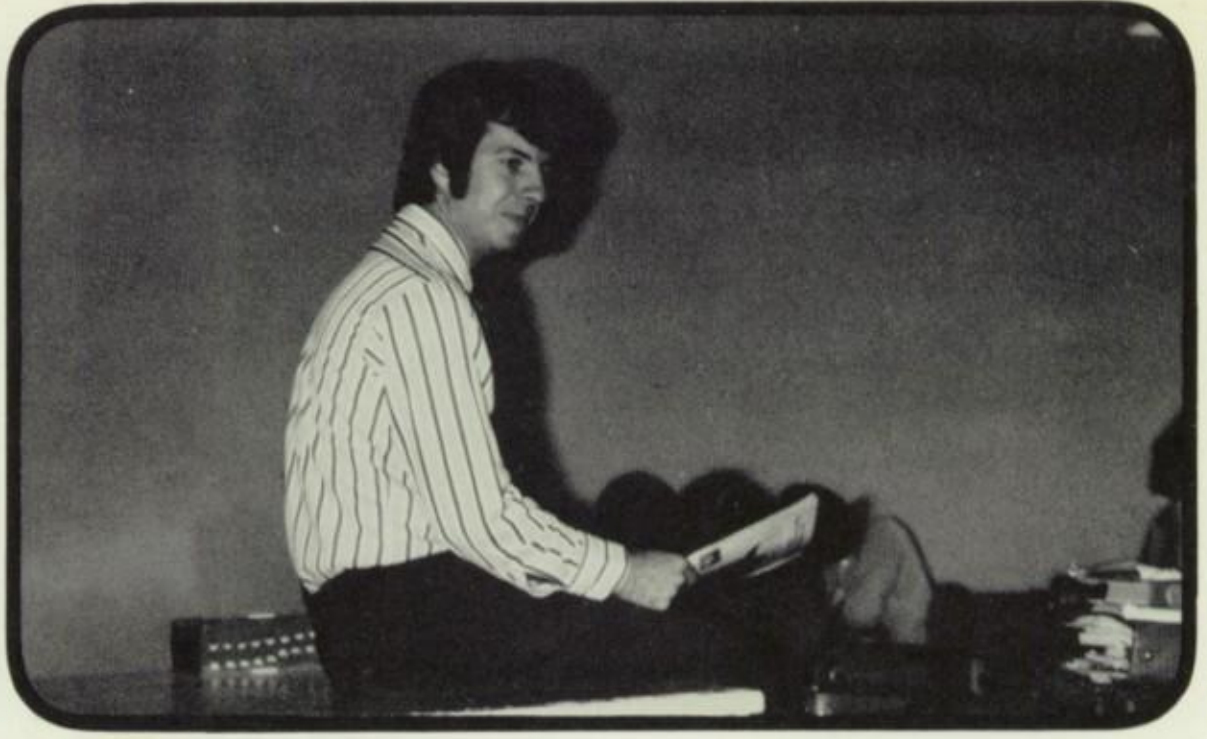

*The future is a great land . . .
It is wider than the vision and
Has no end.*

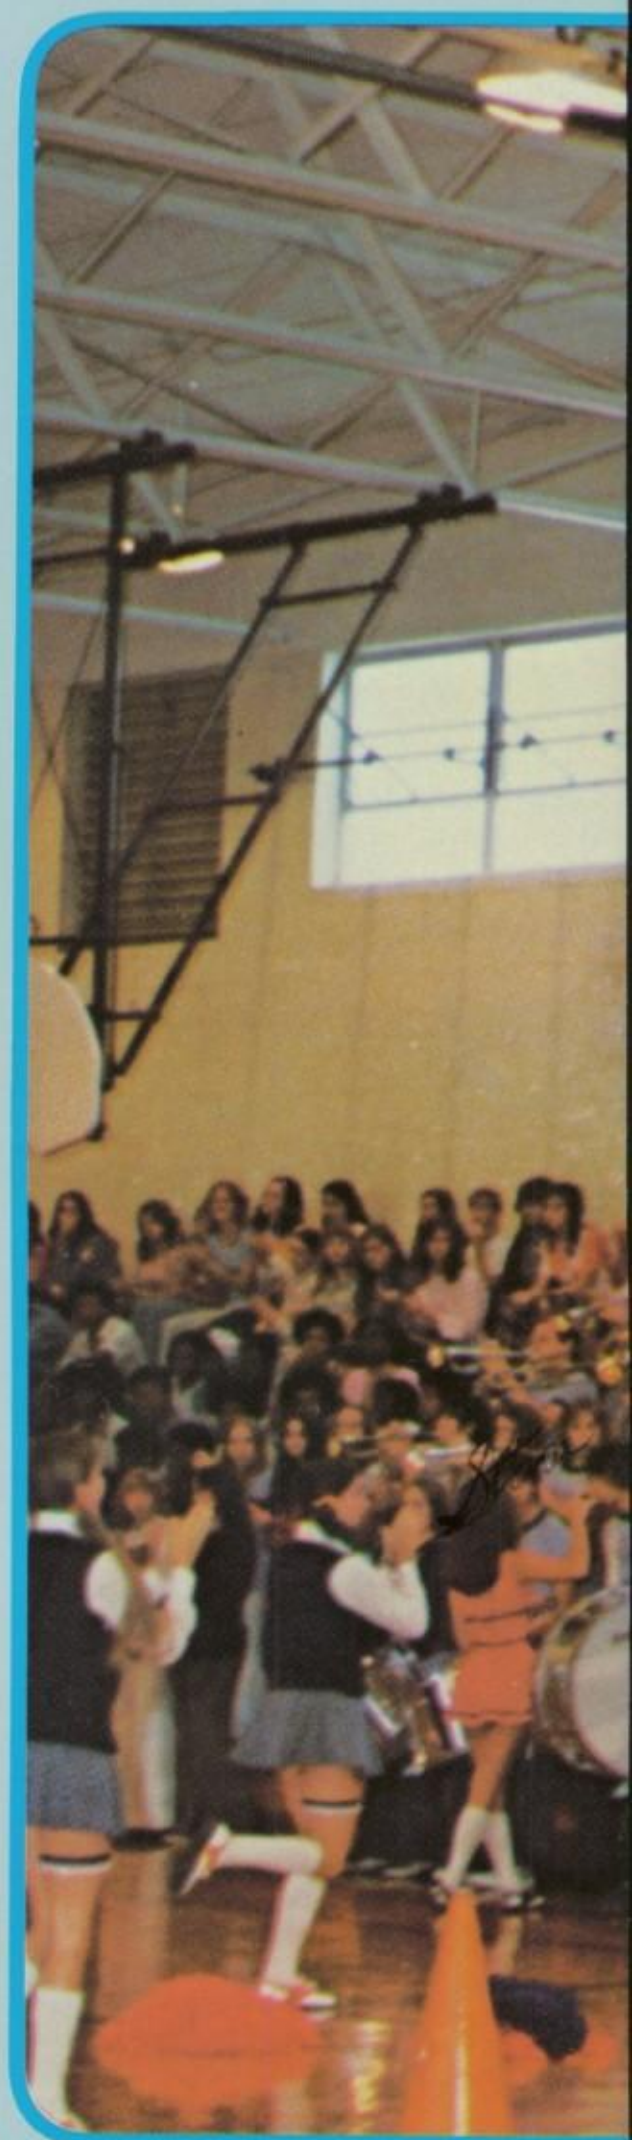

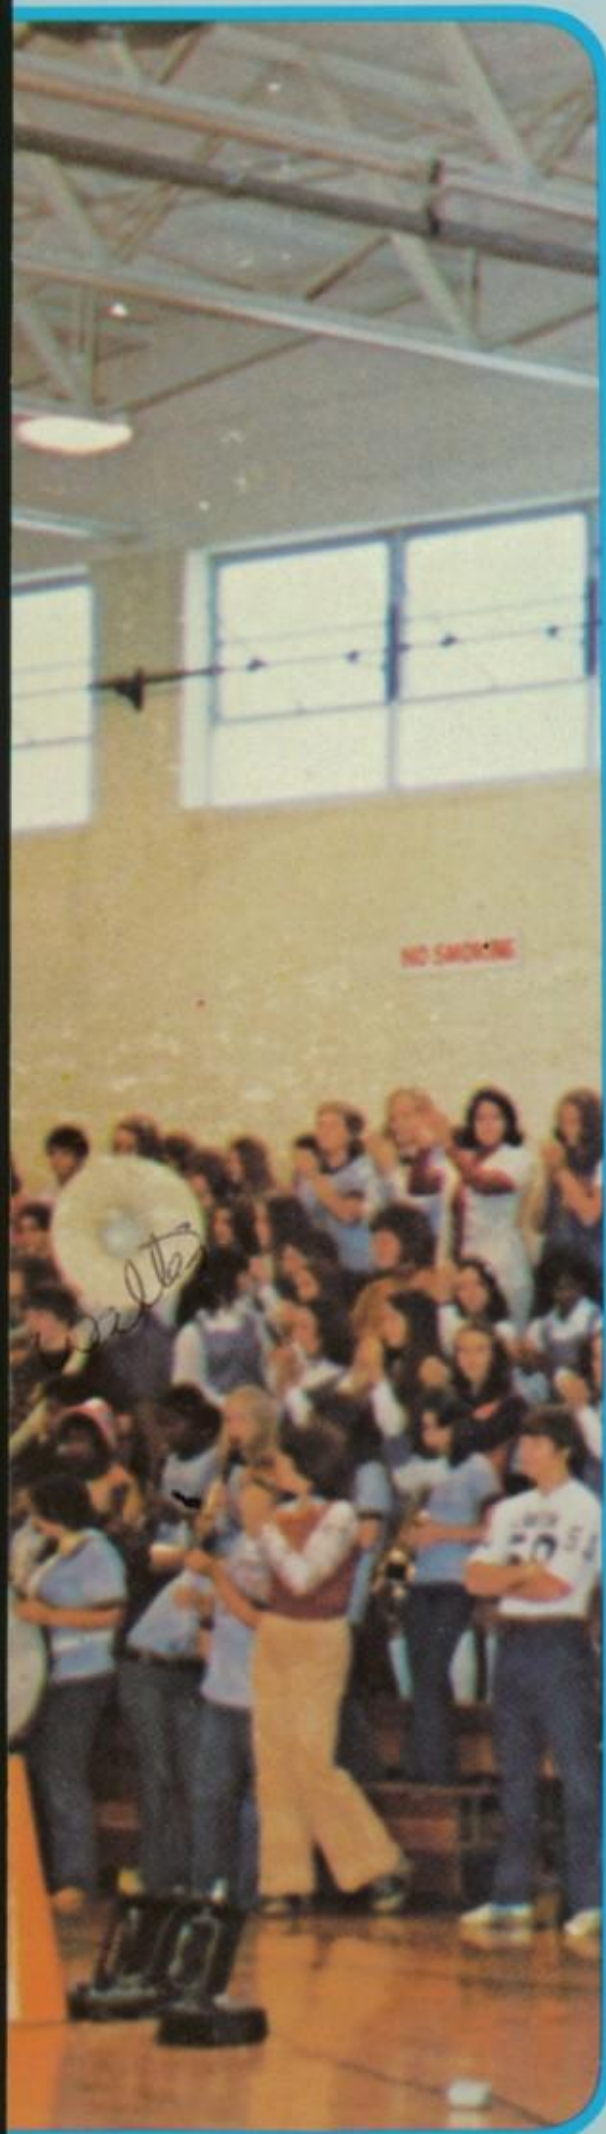

*Happiness comes of the capacity
To feel deeply, to enjoy simply
To think freely, to risk life,
To be needed.*

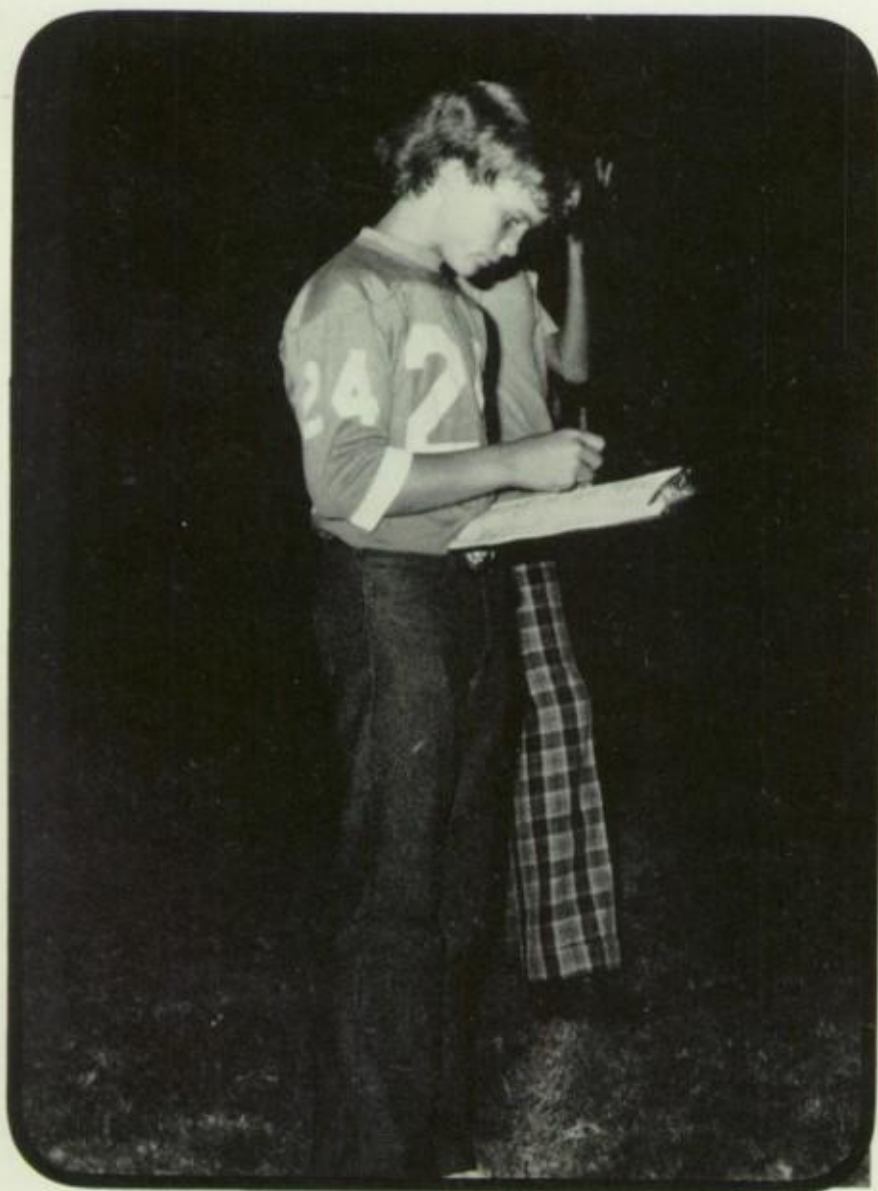

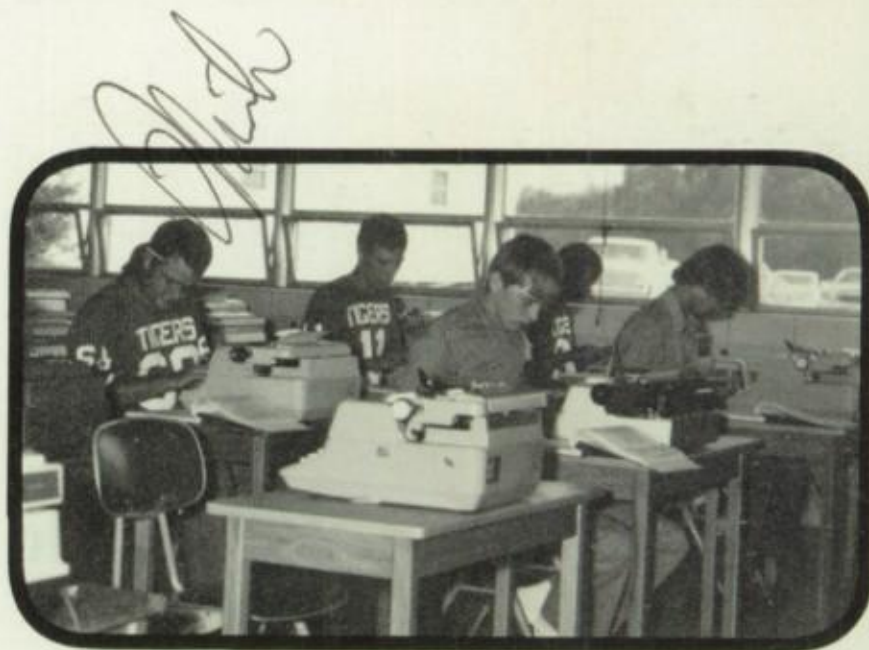

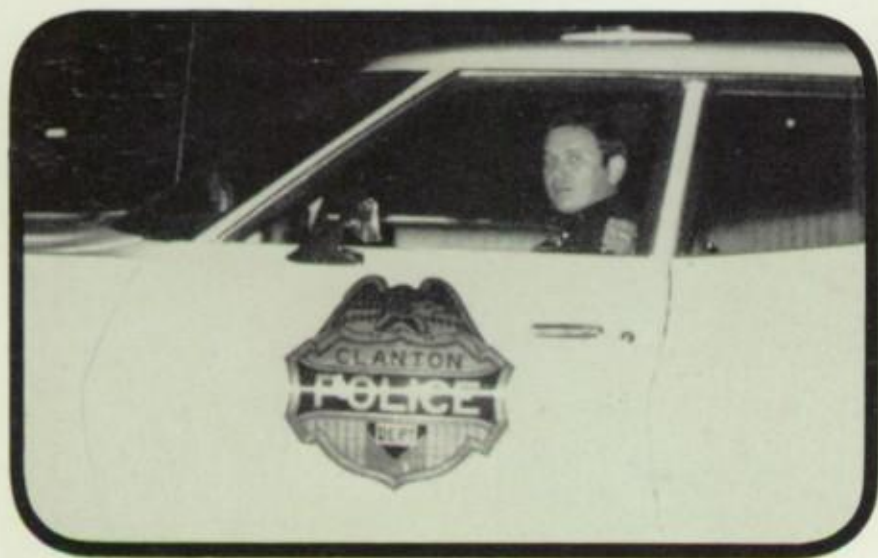

*I do my thing,
And you do your thing.
I am not in this world
To live up to your expectations,
And you are not in this world
To live up to mine.
You are you and I am I,
And if by chance we find each other,
It's beautiful.*

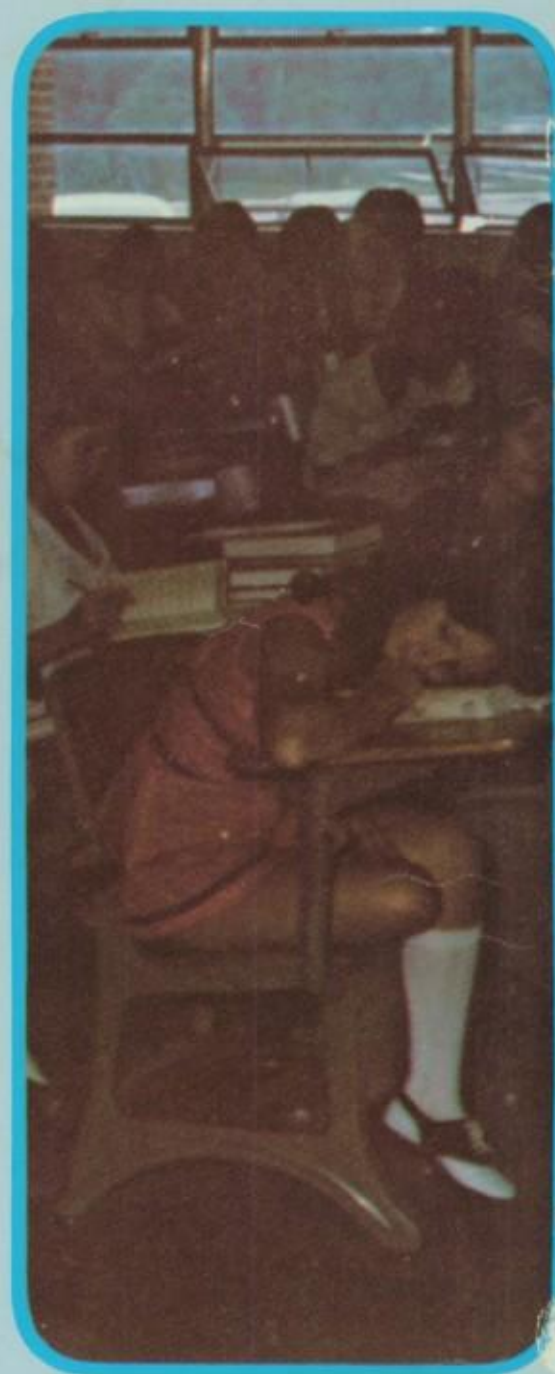

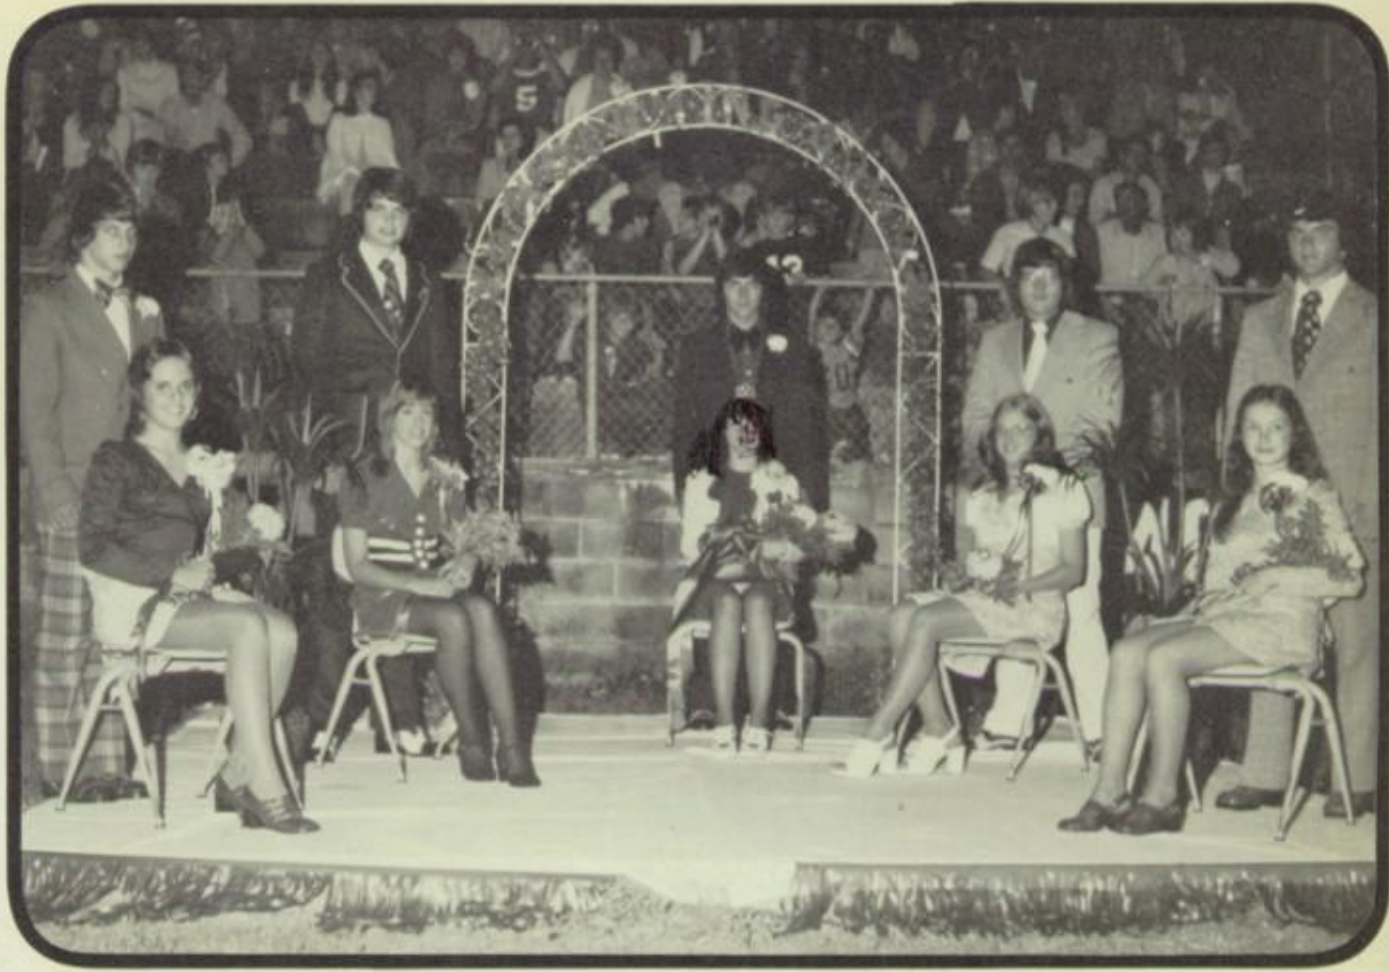

*Real joy comes not from ease or riches
Or from the praise of men,
But from doing something worthwhile.*

*Every individual has a place
To fill in this world,
And he is important
In some respect,
Whether he chooses
To be so or not.*

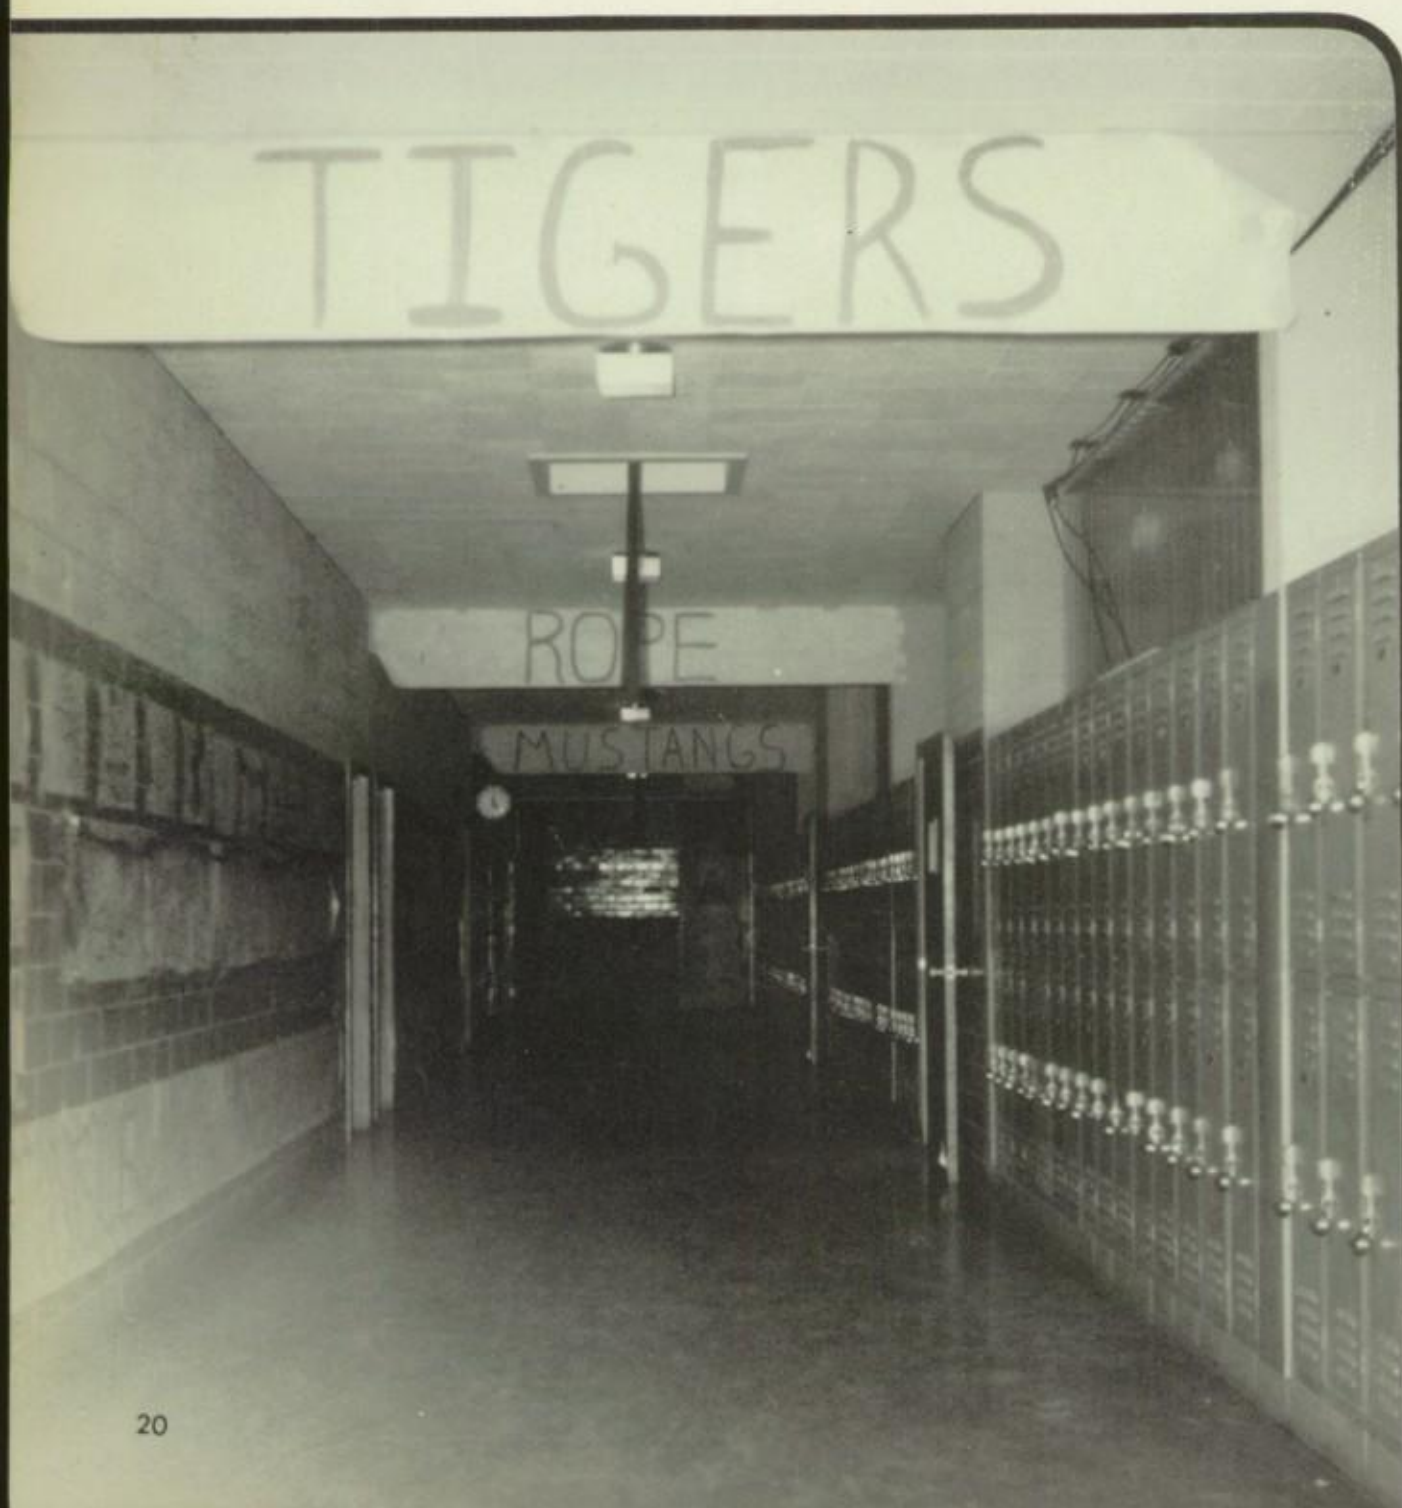

*Every day is a gift
I receive from Heaven
Let me enjoy today
That which it bestows on me.
It belongs not more to the young
Than to the old,
And tomorrow belongs to no one.*

*Before us is a future
All unknown,
A path untrod;
Beside us a friend
Well loved and known
That friend is God.*

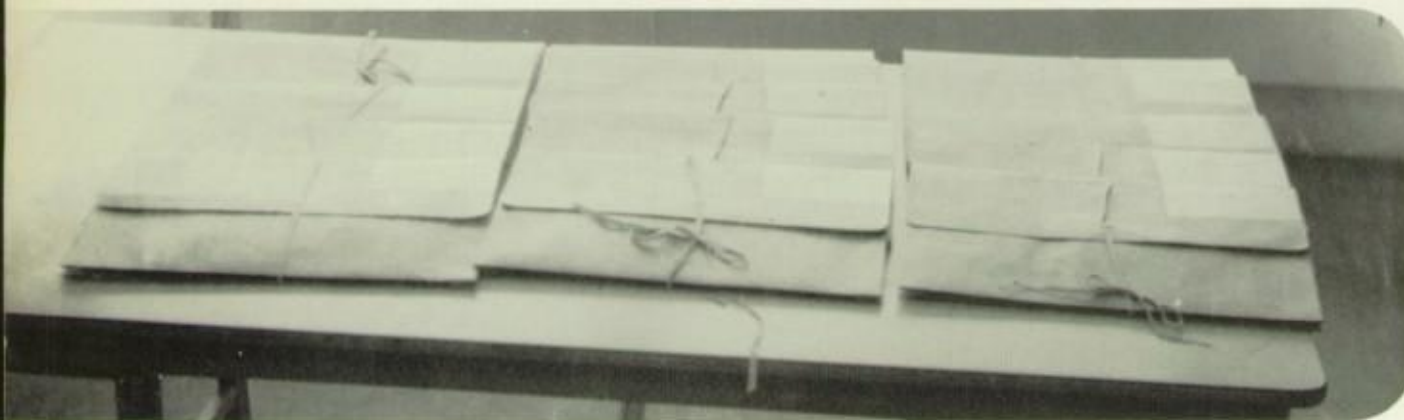

DEDICATION

*In appreciation and gratitude
for sharing youth's dreams,
we the seniors
of Chilton County High School
dedicate the 1975 Silver Shield
to the man with a smile,
MR. RON WILDER,
who has given so much of himself.*

MOTTO

And one day we must begin our own great explorations.

No longer will we always find a hand to hold,
nor always hear a voice that calls us back.

We must build our own castles, open our own doors,
follow our own paths.

For now we are individuals . . .

You and I.

The sixth system of the musical score. The melody continues. The lyrics are: 'by that happy memories will remain of dear old Chilton High.'

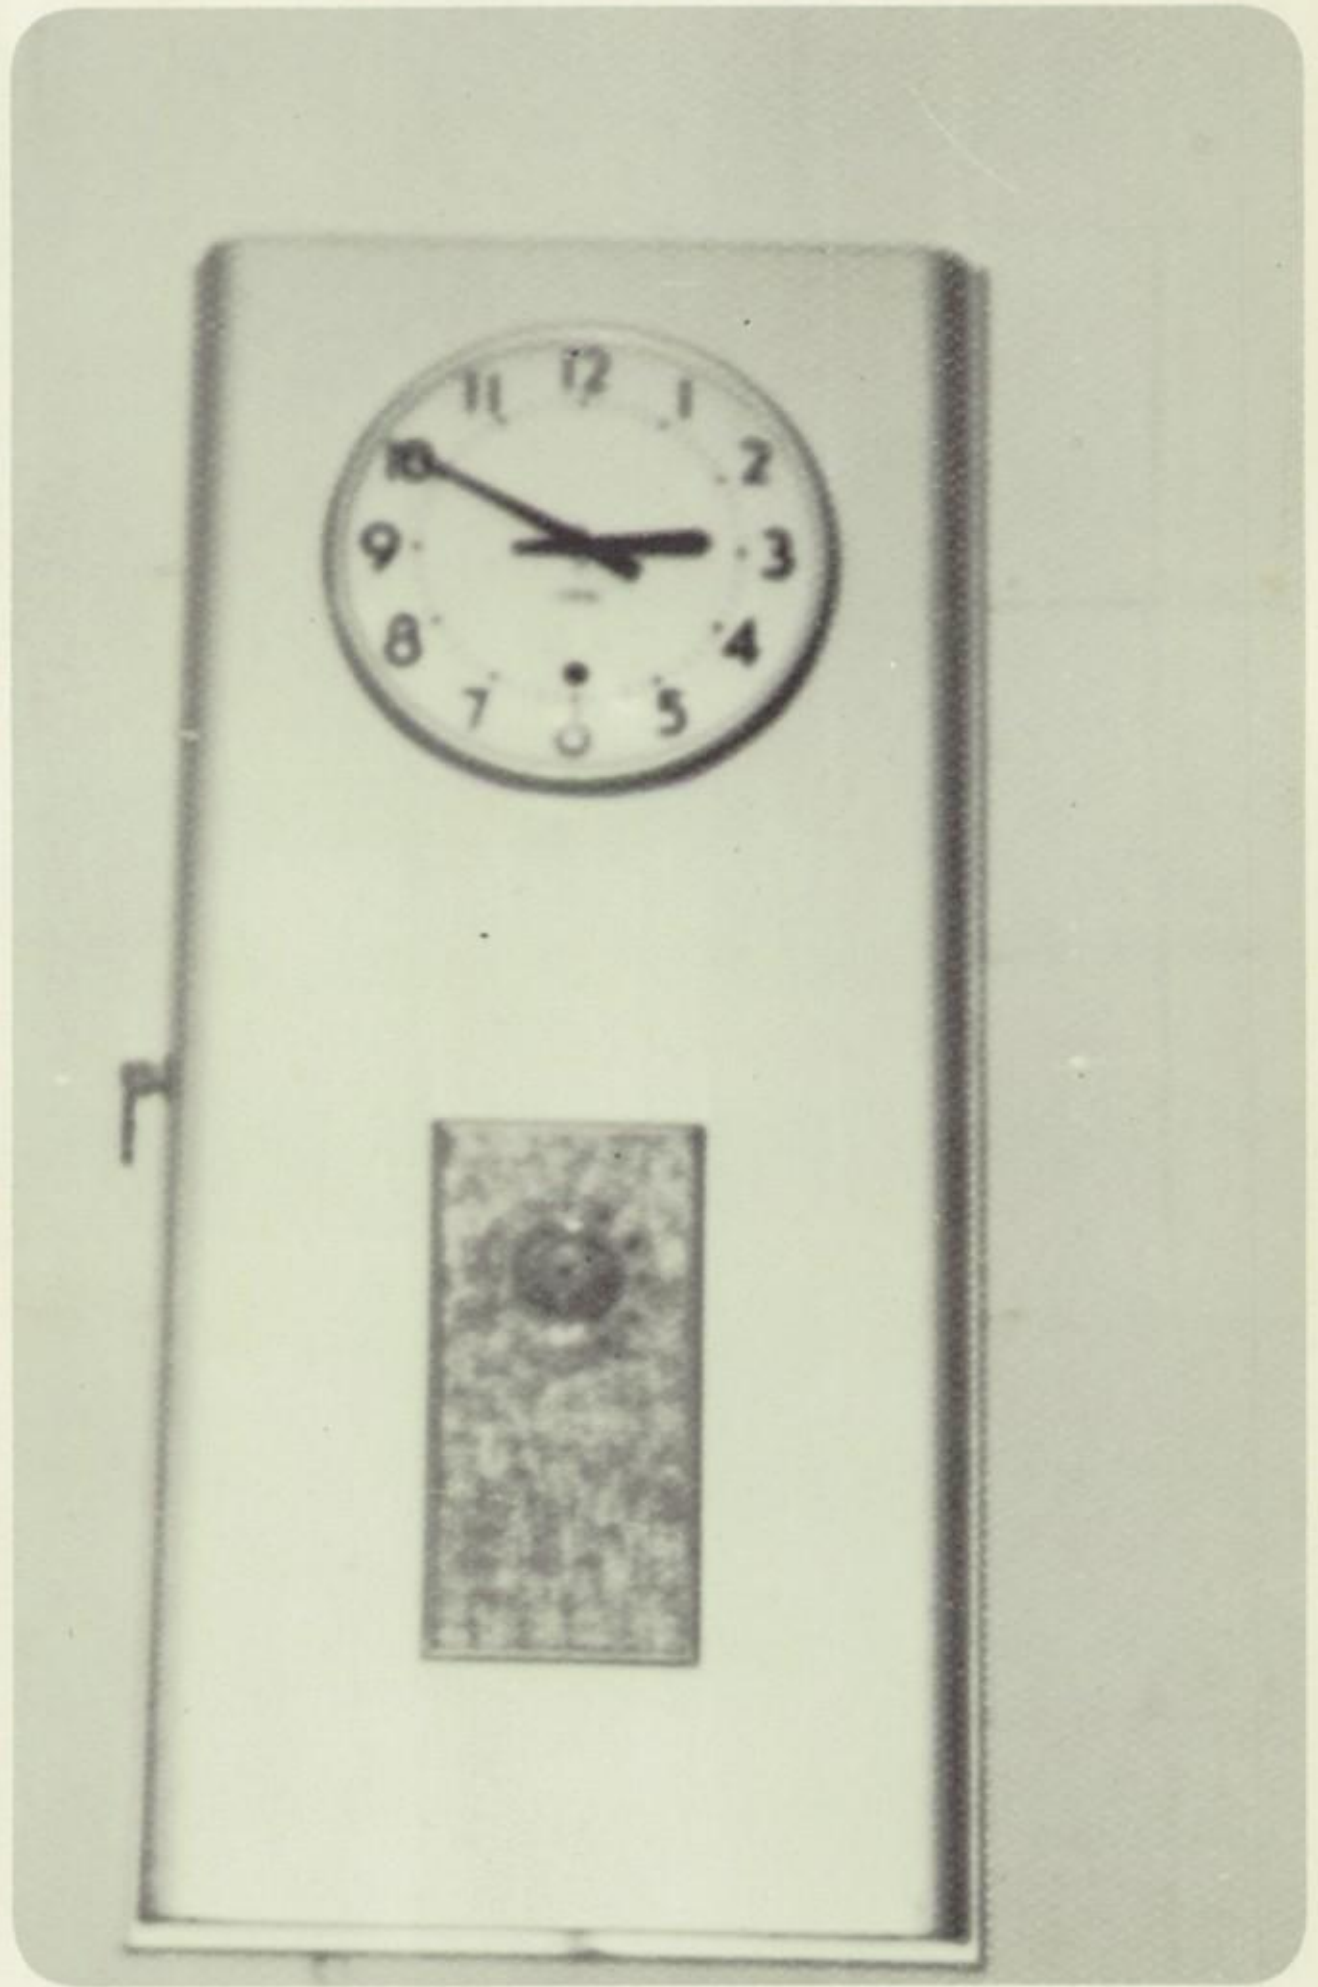

The best part
of friendship is the
"do-you-remember" moments.

Carole,
Well, what's the verdict?!
C'mon, squirrel, what is it?!
Anyway, I guess I'll say
the usual things that everyone
else says. No, I won't! I
just found out he's coming!
He's coming! Thanks!
See you next year!

REMEMBERING

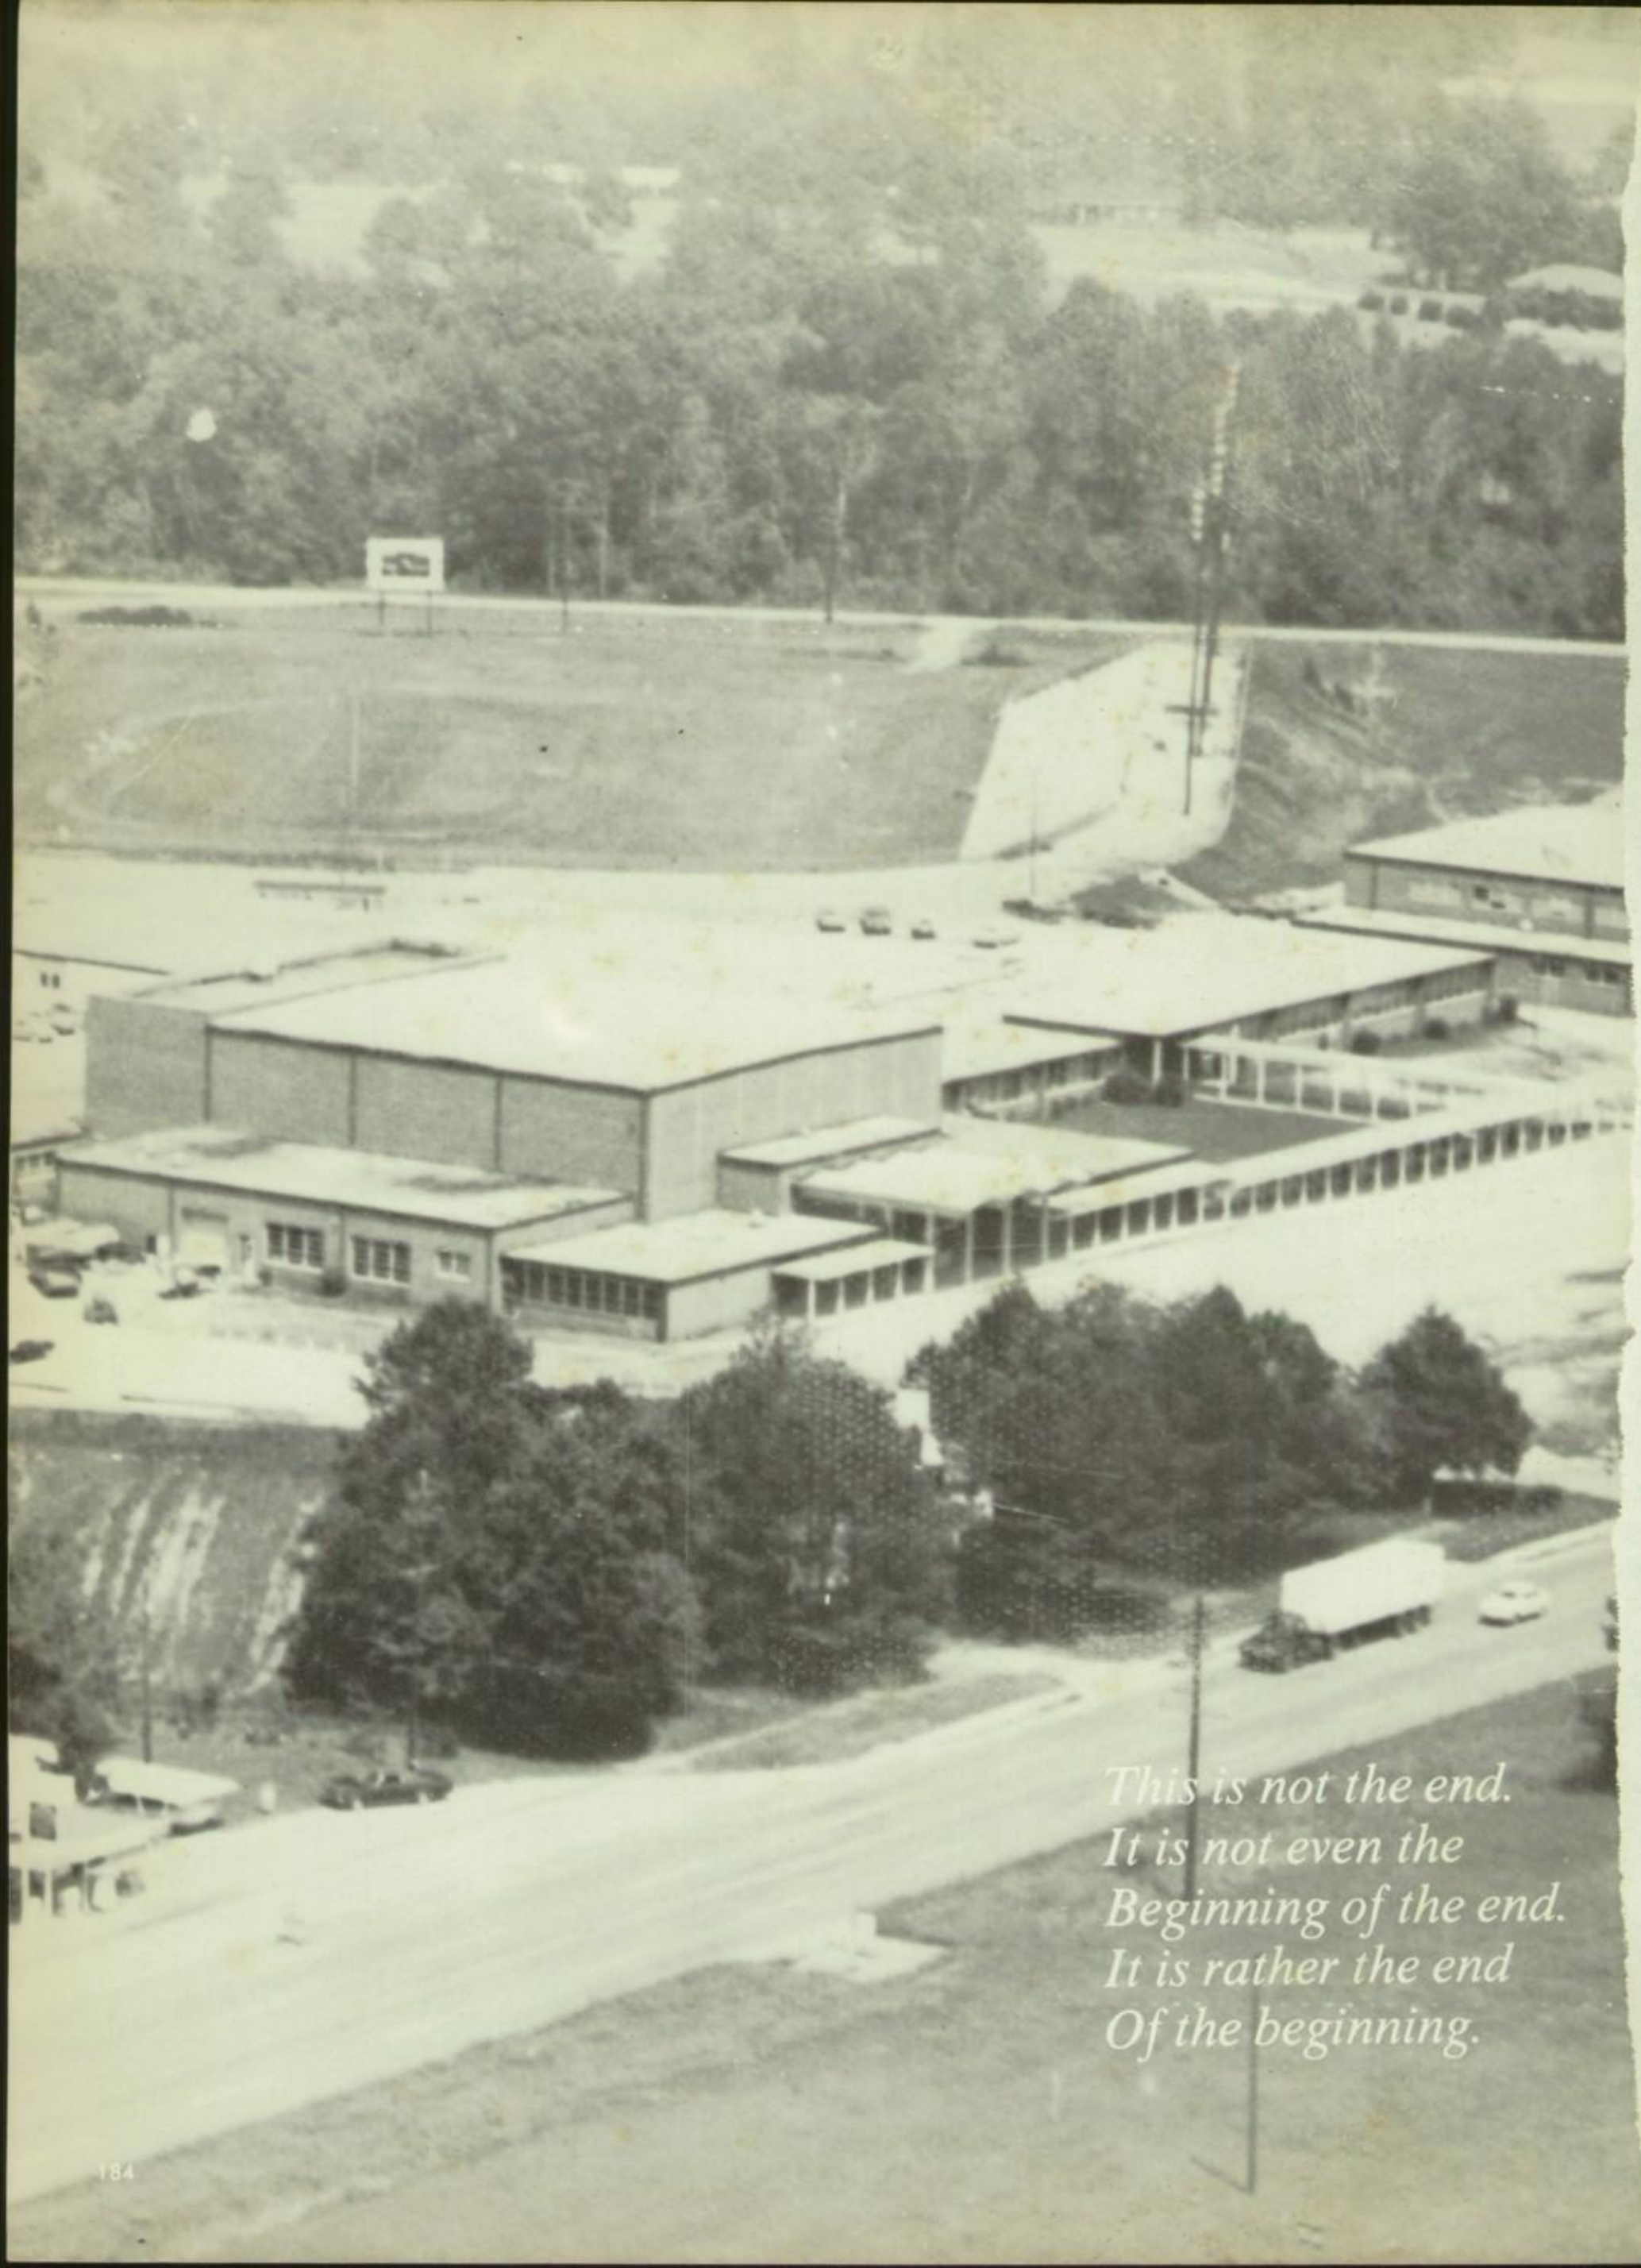

We live on a moving line between past and Future. That line is our lifeline.

*This is not the end.
It is not even the
Beginning of the end.
It is rather the end
Of the beginning.*

Carole,

Let me just say a few things about this crazy year. Things just couldn't have been better for either of us. Remember all the good times we've had in English (I just can't seem to spell that word), in Chemistry, and most of all six flags. That I'll never forget. Thanks for being there when I need you. Hope you get all you want out of life. May God bless and keep you always. The very best of luck to you.

Love ya,

Carole, (I spelled it right!)
I didn't know you didn't like heart but I'm really glad we became friends. I had been nice to have someone I could talk to in Home Ec. You're a great person; sweet, cute, & you've got a wonderful personality. I don't want to let you go into a clinic. I follow you all the way but good luck anyway & I'll be with you. R.M.A. don't forget me next year when you're a high school senior.)
Love ya,
Shelly Flack

To a very sweet and nice girl I have enjoyed being friends with. Hope we are always next year ~~to~~ in Jr. Music Club and Glee Club. Be careful with you know what!

Carole,
It's been real nice knowing you this year and the past year too. I hope we will continue to be friends. I think you were wonderful in the J.C. Play who beats up people who sign your annual.
Nancy Perry

Carol,
 you are a very sweet girl whom I will
 always remember. I first met ya in the 9th
 grade in Civics, and from then have grown
 to really like you. You are a lot friendlier than
 Jane. Good Luck next year and for the
 rest of your life. Love Ya

 you're the nicest

Carol,
 this year in home room
 we've had lots of weird
 times but I learned
 your crazy smile. Don't
 let anything get you
 down but with your
 determination I dare
 you won't. Hope we
 can get to be better
 friends in the future.
 Love,
 Jane
